# Japanese Amazing Clip Show Clip Lineup

## *The Walruses' Secret Training*

Who can imagine the walrus making sit-ups!?! Considering their appearances, they do not seem to be that tough, do they? They are not only talented but prettier than you might think.

## *The World's Most Splendid Bowling*

How many pins at a time, do you expect to hit when you go bowling? It usually is "10" at maximum. However, you can hit more if you wanted. This unique bowling lane does have 300 pins!! Why don't you try this out!??

## *Dee-Dee Lady Singer Patriarch*

Yoshiko NAKATA was born in 1931. Suddenly, she starts to sing a song that no one ever heard of. Still, she says that she is sure that everyone knows the song. Guess what!?! She is a woman that can sing a song backwards with the music played, backwards of course. Let's see how she is doing this amazing performance.

## *Time-Slip Theme Park*

Edo era is a part of Japanese history that has ever existed approximately 400 years ago. EDO WONDERLAND NIKKO is a place where you can enjoy tons of Japanese good old traditions. To begin with, let's be a man of the era. Everybody can become a resident of Edo, enjoy the ancient food and etc.

## *The Glittering World of Wagashi Sweets*

Q. What do you think these are? A. A hamburger and French fries! .....No, they are not. These are made of Japanese styled confectioneries. A master of Japanese sweets can make anything you would like with those sweets ingredients.
